

SELF STUDY COURSES

Introduction :

Self-study is a method of learning where students take charge of their own studying outside of the classroom, without direct supervision. This allows the student to take control of how, what, when, and where they learn. This method of studying is preferred by independent learners because they can take learning into their own hands. They assess what information they need, find the resources to supplement their learning, and complete their assessments at their own pace.

Objectives of the Self Study Courses are:

- ❖ To encourage students to learn effectively.
- ❖ Facilitate to learn as per students convenience.
- ❖ To give an opportunity to strengthen problem-solving skills.
- ❖ To motivate students to manage their time and priorities.

Implementation of value added courses :

- ❖ Self-Study Courses are not mandatory to qualify for any programme & certificates earned through the Self-Study Courses shall be over and above the total requirement prescribed in the curriculum for the award of the degree.
