

Report on Continual Mentoring provided by Teachers

In our Vilas Tambe Women's College of Education, we provide mentoring throughout the academic year to each and every student. We can get this through following points & activities...

1. Working in teams:

- Teaching Competency: All the teaching competencies are implemented under the guidance of mentor. 13 to 15 students given to each mentor. Teaching competencies consists of Micro Teaching – skills, integrated lessons, simulation lessons, etc. Students are guided by the mentors to make lesson plan, to implement lesson, to present lesson. Feedback is given to student by mentor.
- Team Teaching: Team Teaching is the best example of working in team. In this type of lesson, 2-4 student teaches a lesson. Student works in team & divide activities according to their skills and qualities & teaches a lesson. Student makes lesson plan under the guidance of mentor and prepares lesson to teach any topic.
- Co-curricular, Extra-curricular, Social Service & Health & yoga activities: All the competitions, games, events, days celebrations, gathering, sports activities, social activities, etc. comes under this activity. Student works in team under the guidance of group in-charge or mentor.

- ICT Intel programme: Mentor makes groups of 2 to 4 students to prepare ICT Intel programme. Mentor guides in making this practical.
2. Dealing with student diversity:
- At Internship schools, student makes lesson for diverse need students. Under the guidance of mentor, student learns how to deal with diverse needy student.
 - Not only at Internship school but also at college also, student teacher learns dealing with student diversity under the guidance of mentor.
3. Conduct of self with colleagues & authorities:
- While working in teams in all teaching competencies, all co-curricular & extra-curricular activities, all events, all indoor outdoor activities, etc. students learn how to conduct with colleagues and authorities. Mentor keeps close observation on student & guides how to behave in certain situation or certain place. This can help them to develop their personality.
4. Balancing home & work stress:
- Mentor guides teacher student about the workload in the academic year from the beginning. Mentor guides them how manage their work, time, stress and home activities to complete course.
 - College organizes webinars and workshops under health & yoga department. Mentor encourage student-teacher to participate health related activities.
5. Keeping oneself abreast with recent developments in education & life:
- Mentors guide student about new policies, trends, events in education, to participate in webinars, conferences, seminars, etc. to keep themselves update.
