reflection of co-curricular & extra-curricular activities, reflection of student teachers on guidance provided by teachers to their students, motivation given to the students, reflection about school culture & work culture in school, good traditions & short comings in school working, impression of school working on student teachers, etc.

### **5. Block Teaching**

The student teacher will select one unit from the school subject in consultation with the school teacher and faculty. S/he will prepare the lesson plan for that unit. S/he will teach that unit for at least three periods under the guidance and observation of the school teacher /teacher educator. The same shall be repeated for other school subject. These lessons shall be engaged preferably at upper primary, secondary or higher secondary level.

### **6. Plan of Evaluation**

The student teacher will prepare a Unit Plan providing formative (for each lesson plan) and summative evaluation (unit test after completion of the unit) for both the above selected units. S/he will develop and conduct a unit test. S/he will also prepare a blue print and model answer and marking scheme for the developed unit test. The same shall be repeated for other school subject.

### **7. Study of School Records maintained by schools**

This activity is to enable the student teacher to understand the administrative aspects of school life. It will help him/her to realize the need of maintaining the records and their importance in the smooth functioning of the school. The student teacher shall write a report on any 4 records prepared and maintained by the school.

### **8. Observation of Peers**

Peer learning is an important and integral part of learning process of an individual. It will assist in boosting the confidence of the student teachers. In this activity the student teacher shall observe, reflect and give feedback to her/his peers on the lessons conducted.
