

Report on Inteenship

Our Vilas Tambe Women's College of Education is situated in Dumbarwadi, Otur. This place is a very beautiful village. There will be around 7-8 schools around the college. Our college has intake capacity of 100 students. It means more than 200 students (including repeater) are studying in our college. The admitted students of our college are from outside the village, nearby villages or those with normal financial background who have been admitted from elsewhere through CET.

The duration of first year internship is 4 weeks' and second year internship is having 16 weeks'. Usually we take Savtribai Phule Vidyalay, Sharadabai Pawar Vidyalay, Veer Savarkar Vidyalay, Chaitanya Vidyalay for introduction of Internship. But for 14 weeks' Internship we take schools according to the availability and convenience of the student.

As our students are from outside Otur village and some students are financially weak, those students choose a school which is convenient for them, near their home and can complete their Internship there. Our institute provides them permission letter from our college, coordinator gives orientation about whole Internship Programme. Student services their according to our college need and according to school need.

Same planning and orientation is given to each mentor and the responsibility is given to guide to the given group and completing the work from those students. During that duration, the teacher visits and interacts with as many schools as possible.

Principal
Vilas Tambe Women's College of Education (B.Ed.)
