

### **7.1.2 INSTITUTION POLICY FOR WASTE MANAGEMENT**

All waste garbage from the college belongs to Grampanchayat of Dumbarwadi. Garbage van comes to our college and collect it . Waste material segregation vans, often referred to as waste collection or recycling vans, play a crucial role in maintaining a clean and sustainable environment on college campuses. Once collected, the waste materials are segregated into different categories such as paper, plastic . This segregation is essential for efficient recycling and disposal. Waste segregation vans help promote sustainability and environmental consciousness on college campuses by encouraging students and staff to recycle and reduce waste. Their regular operation contributes to maintaining a clean and hygienic campus environment, which is vital for the well-being of the campus community.

Overall, waste material segregation vans are an integral part of maintaining a sustainable and clean campus environment while promoting eco-friendly practices among the college community.
