

7.1.6 institution is committed to encourage green practices that includes:

- **1.Encouraging use of bicycles / E-vehicles**

Principal

Vilas Tambe Women's College of Education (B.Ed.)
Dumbarwadi(Otur) Tal. Junnar, Dist. Pune.

7.1.6
***Pedestrian Friendly Roads in the campus-**

Pedestrian-friendly roads in our college campus gives benefit students in several ways:

1. ***Safety***: By separating pedestrians from vehicular traffic and implementing traffic calming measures, pedestrian-friendly roads reduce the risk of accidents and improve overall safety for students walking on campus.
2. ***Convenience***: Clearly marked walkways and designated pedestrian paths make it easier and more convenient for students to navigate the campus on foot, saving time and reducing stress.
3. ***Health and Well-being***: Encouraging walking by creating pedestrian-friendly roads promotes physical activity, which is beneficial for students' health and well-being.
4. ***Environmental Impact***: Promoting walking over driving can help reduce the campus's carbon footprint and contribute to a more sustainable environment.
5. ***Community Interaction***: Pedestrian-friendly roads can create a more inviting and pedestrian-friendly campus environment, encouraging students to interact with each other and engage in campus life outside of the classroom.

Overall, pedestrian-friendly roads in our college campus can enhance the overall campus experience for students, making it safer, more convenient, and more conducive to a healthy and active

Principal

7.1.6
2. Create pedestrian friendly roads in the campus

The roads around the institution are pedestrians friendly and are less harmful for the students to walk around.

1. Pedestrian is built with paver blocks.
2. Use pedestrian when you walk in the campus area, avoid go on the lawn.

Principal

Vilas Tambe Womens College of Education (B.Ed.)
Dumbarwadi(Otur) Tal. Junnar, Dist. Pune.

7.1.6
Plastic free campus –

Creating a plastic-free college campus involves implementing policies, practices, and infrastructure changes to reduce or eliminate the use of single-use plastics. Here are some steps that our college take to achieve this goal:

1. ***Policy Development:** Develop a comprehensive policy that outlines the college's commitment to reducing plastic waste and the strategies for achieving this goal. The policy should include guidelines for reducing plastic use in campus operations, events, and activities.
2. ***Infrastructure Changes:** Implement infrastructure changes such as installing water refill stations to encourage the use of reusable water bottles, replacing plastic cups and cutlery with biodegradable alternatives, and providing reusable bags for shopping.
3. **Education and Awareness:** Conduct educational campaigns to raise awareness about the environmental impact of plastic and the benefits of

Principals
Principal

reducing its use. Engage students, faculty, and staff in discussions and activities that promote sustainable practices.

4. ***Waste Management:*** Implement a comprehensive waste management system that includes proper segregation of waste and recycling of plastic materials. Provide recycling bins and educate the campus community on how to properly dispose of plastic waste.

5. ***Monitoring and Evaluation:*** Regularly monitor and evaluate the progress of the plastic-free campus initiative. Collect data on plastic usage, waste generation, and recycling rates to assess the impact of the initiative and identify areas for improvement.

6. ***Recognition and Incentives:*** Recognize and reward individuals and groups that actively participate in the plastic-free campus initiative. Create incentives such as discounts or prizes for using reusable products or reducing plastic waste.

By implementing these steps, our college create a more sustainable campus environment and contribute to the global effort to reduce plastic pollution.

Principal

Vilas Tambe Womens College of Education (B.Ed.)
Dumbarwadi(Otur) Tal. Junnar, Dist. Pune.

7.1-6

▪ 3. Develop plastic-free campus

The ban of plastics on college campus is a proactive step toward addressing plastic pollution and fostering a culture of sustainability.

7.1.6

- 5.Green landscaping with trees and plants.

Greenery in institutional campus, including the presence of trees, plants, and green spaces, offers numerous benefits that enhance the environment and the well-being of the campus community. The presence of greenery on institutional campus contributes to a holistic and sustainable campus environment, enhancing the quality of life for students, staff, and the surrounding community. It supports physical and mental well-being, educational goals, and the broader environmental and sustainability initiatives of the institution.

Principal

Vilas Tambe Womens College of Education (B.Ed.)
Dumbarwadi(Otur) Tal. Junnar, Dist. Pune.

2.Planted lawn and small bushes

There are plenty of bushes inside the campus and the lawns are planted to make the campus attractive.

7.1.6
Move To Paperless Office-

Moving to a paperless office in our college have several benefits, such as reducing costs associated with paper, printers, and storage, as well as being environmentally friendly. Here are some steps we take to implement a paperless office:

1. ***Digital Document Management***: Use digital tools to manage documents instead of paper. This includes using software for storing, organizing, and accessing documents.
2. ***Electronic Communication***: Encourage the use of email, instant messaging, and collaboration tools for communication instead of printed memos or letters.
3. ***Online Forms and Processes***: Implement online forms for various processes such as leave requests, expense claims, and feedback forms to reduce the need for paper forms.
4. ***Scanning and Digitization***: Scan important documents and convert them into digital format for easier storage and access.

5. ***Reduce Printing***: Encourage staff to print only when absolutely necessary and to use double-sided printing to reduce paper usage.
6. ***Digital Signatures***: Use digital signatures for approvals and official documents to eliminate the need for physical signatures on paper.
7. ***Training and Awareness***: Conduct training sessions to educate staff about the benefits of going paperless and how to use digital tools effectively.
8. ***Monitor Progress***: Keep track of paper usage and monitor progress towards becoming paperless to identify areas for improvement.

By implementing these steps, our college make significant progress towards becoming a paperless office.
