RESEARCH COMMITTEE

YEAR - 2022-2023

The institution has constituted Research committee.....

The objectives of the research committee are:

1. To appraise the faculty members and the students about the latest developments in interdisciplinary research
2. To organize, encourage, maintain and support research activities in the Institution
3. To ensure the maintenance and record of research activities carried out by the faculty members and disseminate research materials for research purpose
4. To formulate and implement policy recommendations for the strategic development of research and research training in coordination with other relevant committees of the institution
5. To evaluate research proposals for research grants
6. To facilitate faculty and research scholars for publication of their research work in peer reviewed journals
7. To ensure the maintenance of ethical standards of research in the Institution
8. To maintain the recent research journals, magazines and publications in Institution library.
